

Training Section II

Section II - Reason for Joining Life Wise

Welcome to the second part of our training, where we'll delve into the first section of the "Share Your Story" outline: "Reason for Joining Life Wise." This section lays the foundation for your narrative by providing context to your decision to be a part of this journey. We'll break down each aspect: A, B, C, and D, to help you create a compelling and relatable story.

A. Personal Background and Journey Before Life Wise

- This is where you share a snapshot of your life before you discovered Life Wise. What were your circumstances, challenges, and dreams?
- You could talk about your profession, family life, or personal struggles that led you to explore new opportunities.
- By painting a picture of your life before Life Wise, you set the stage for the transformation that follows.

B. Discovery of Life Wise and Its Values

- Detail how you first encountered Life Wise. Was it through a friend, an event, or an online interaction?
- Explain what attracted you to the company. Was it the quality of products, the business model, or the company's ethos?
- Highlight the values and principles that resonated with you. This could be the commitment to wellness, community, or personal growth.

C. How Life Wise Aligned With Your Goals and Aspirations

- Showcase the alignment between your personal goals and Life Wise's offerings. Did you want to improve your health, gain financial freedom, or find a supportive community?
- Explain how Life Wise seemed like a solution tailored to your needs and ambitions.
- This section highlights that your decision to join wasn't arbitrary, but a well-thought-out choice aligned with your life's direction.

D. The Turning Point That Led to Your Decision to Join Life Wise

- Share the pivotal moment when everything changed. This could be an event, a realization, or a conversation that sparked your interest.
- Describe how this turning point made you see the potential in Life Wise for achieving your goals.
- Illustrate the mental and emotional shift that took place, making you believe that Life Wise was the path you needed to take.

By combining these elements, you create a narrative that guides your audience through your journey - from your life before Life Wise to the turning point that marked the beginning of a new chapter. Your authenticity and relatability in this section will set the tone for the rest of your story.

Remember, your reason for joining is not just about you; it's a relatable story that can resonate with others who may be seeking similar solutions. Stay tuned for the next part of our training, where we'll dive into the second section of the "Share Your Story" outline: "Personal Experiences with Life Wise Products."
